

MEET THE PRODUCT

ARBONNE ESSENTIALS® WHOLE FOOD BLEND MULTIVITAMIN & MINERAL BOOST

Our Whole Food Blend Multivitamin & Mineral Boost contains a blend of 21 vitamins and minerals to support overall health with ingredients to support bone, eye and immune function.^o It delivers a comprehensive multivitamin that fills key nutrient gaps in your diet and features forms to help support bioavailability and absorption.^o The unique botanical blend helps fight oxidation, which contributes to the aging process, and includes a B-complex and antioxidant vitamins A, C, D and E from whole food sources.^o #2064 

FEATURES

- Comprised of a blend of whole food derived nutrients and antioxidants along with scientifically derived vitamins and minerals to deliver a comprehensive multivitamin that can help fill nutrient gaps in your diet; giving your body what it needs to function optimally and helping you to effortlessly feel your best^o
- Each scoop contains essential vitamins and minerals from nature such as vitamin C from acerola cherry, vitamin D3 from lichen, calcium from seaweed, magnesium from seawater, and B vitamins from quinoa sprouts
- 21 vitamins and minerals support metabolism, energy levels, bone health and immunity by offering a daily nutrient boost that helps support the maintenance of health^o
- Delivers over 100% of the daily recommended amount of vitamins A, C, and B6, plus thiamin, riboflavin, niacin, biotin, pantothenic acid, and vitamin B12
- Contains methylated forms of folate and vitamin B12
- Offered in a convenient powder that can be easily added to your morning beverage
- Formulated with non-GMO ingredients

KEY INGREDIENTS & BENEFITS

- Vitamin C, a powerful antioxidant derived from ascorbic acid and acerola cherry, plays a key role in supporting immune health and helps to protect cells from oxidative stress in times where extra support is needed from seasonal and environmental threats^o
- Vitamin D3, sourced from lichen, helps to support immune function along with bone, teeth and joint health^o
- Zinc helps to quench free radicals, providing cellular protection and helping to maintain immune function and healthy skin^o
- Beta carotene, with vitamin A, helps to maintain eyesight, skin, membranes, teeth, bones and immune function^o
- Vitamin E, derived from sunflower, helps to protect cells from oxidative stress^o
- B-vitamin complex supports the metabolism of fats, carbohydrates, and proteins; helping to balance energy, metabolism, mood, and nervous system along with cognitive functions such as memory, and emotional well-being^o
- Thiamin, derived from thiamin hydrochloride and quinoa sprouts, promotes energy balance; helping to support and maintain cardiovascular health and nervous system^o
- Folate, derived from methyltetrahydrofolate and quinoa sprouts, helps with maintaining healthy cognitive function as well as provides cellular, neural, and immune support^o
- Calcium, sourced from marine algae harvested from the North Atlantic seabed, helps to support bone and joint health while also promoting healthy muscle, nerve and enzyme function^o
- Magnesium, sourced from magnesium hydroxide and sea water, helps the body to metabolize fats, carbohydrates and proteins; helping to maintain proper muscle function and tissue formation^o
- Niacin, derived from niacinamide and quinoa sprouts, helps with optimal growth and development^o

HOW TO USE

Add 1 scoop to 8 oz. of a cold or room temperature liquid. Take with food once daily.
